The cathedral's style has been preserved and not lost. On behalf of the religious community of St. Peter and Paul Roman Catholic Church in the city of Lutsk and myself, I want to express to you through all the employees of the Portuguese society MARVELOGICA UNIP LDA sincere gratitude for qualified washing of the cathedral (built in 1616 - 1639 years by architect Giacomo Briano), and this is a monument of architecture of Ukraine and is recognized by the UNESCO as a national architectural heritage.

With the parishioners we also want to emphasize the high level and efficiency of the company MARVELOGICA UNIP LDA's employees and comply with all the requirements of the legislation and the UNSCO, during the start-up phase and during the work with the use of innovative methods and technologies. that do not have analogs in our country.

Thanks to the skills and actions of the employees of the company MARVELOGICA UNIP LDA, the cathedral's style has been preserved and not lost, this includes styles: baroque, classicism and renaissance.

Best regards and grateful,
Superior Father
